SECONDARY 1 MATH PREPARATORY PROGRAM

While awaiting for their admission to the secondary school. Students get prepared for year 2016 Secondary One Math. Topics include Numbers and Algebra.

Secondary 1 Math Preparatory Program aims to generate interest in students in Mathematics and equip them with Mathematical knowledge. Students who scored A-star in PSLE Math may end up doing badly in Secondary Math. The main reason can be attributed to a poor grasp of Algebraic fundamentals in Sec 1 and Sec 2. Thus there is a need to provide post-PSLE students with a Math programme that introduces them to concepts in Algebra.

Enhance students' problem solving skills and strengthen their abilities to attempt challenging Mathematical problems.

| Level | Schedule | Timing |
|---|---------------------|---------------------|
| Secondary 1 | 7 –10 December 2015 | 10.00 am – 12.00 pm |
| 4-days Workshop (Mon-Thu) at \$160/- *Register for English & Math at \$300/- only | | |

SECONDARY 1 ENGLISH PREPARATORY PROGRAM

Our Secondary 1 English holiday workshop helps students make the transition from primary to secondary school, in terms of approach and syllabus content, nurturing greater independence and equipping students with the skills they need to reach their maximum potential in the school exams.

At the end of the workshop, student is able to:

- Understand Formal and Informal Writing Styles
- Write How & Why explanation
- Retell a story from another point of view
- Predict (Giving Reasons)
- Reading and distinguishing different points of view
- Summaries text given with a word limit

| Level | Schedule | Timing |
|---|-----------------------|-------------------|
| Secondary 1 | 14 – 18 December 2015 | 1.00 pm – 3.00 pm |
| 4-days Workshop (Mon-Thu) at \$160/- *Register for English & Math at \$300/- only | | |

The secondary school life often posed a challenge for students transiting to it. A headstart to secondary school life gives them confidence when the term starts

Primary 1 Preparatory Program

Stressed over your child's transition to Primary 1 Education? Fret no more ! Discovery Edu Cove Trainers will not only teach relevant Primary One academic skills but also instill a positive attitude towards learning as a whole.

We believe that every child has the potential to excel in their studies with the correct techniques, attitudes and guidance.

We prepare your child for Primary 1 in January 2016. We cover lessons of English (Grammar / Vocabulary / Written Expression / Comprehension), Mathematics (Whole Numbers / Multiplication / Division / Mass / Problem Sums).

| 7.00 pm | Home Sweet Home | Home Sweet Home | Home Sweet Home | Home Sweet Home | Home Sweet Home |

We have allocated one hour for naptime in our daily schedule. Although naptime is primarily for younger students, older students may also choose to nap if they are tired. If your child does not need to nap, he/she can choose to read a book during the scheduled naptime.

Our Centre is equipped with an air-conditioned room for naptime and indoor playtime. This room includes a projector for movie screening and supervised playtime. Students are to bring along their own mat for naptime.
